

DISCLAIMER

Rockassist North America has been assembled with the greatest possible care by ROCKWOOL Technical Insulation. All calculations have been calculated per the guidelines of ASTM C680-10 and the latest ROCKWOOL product specifications available.

The statements and data contained in this website are for general information purposes ONLY. They are NOT specific technical recommendations as to any particular design or application and the ultimate determination as to product suitability is the sole responsibility of the installer or end user. Although the information contained herein, including ROCKWOOL product descriptions, is believed to be correct at the time of publication, accuracy cannot be guaranteed.

The user of the site is exclusively responsible for the input of the data and is aware that theoretical values can deviate from those occurring in practice. Surface temperatures are susceptible to external influences that include but are not limited to wind, drought and precipitation. Use of this site does not ensure or guarantee the outcome of calculations nor guarantee compliance with any energy codes in your geographic region. Please consult your local authorities before finalizing your installation plans.

Please consult your jacketing and coatings manufacturer for installation recommendations.

ROCKWOOL Technical Insulation fully reserves the right to make product specification changes, without notice or obligation, and to modify or discontinue any of its products at any time. IN NO EVENT SHALL ROCKWOOL BE LIABLE FOR ANY DIRECT, INDIRECT, OR CONSEQUENTIAL DAMAGES OF ANY KIND ARISING FROM INFORMATION CONTAINED IN THIS SITE, INCLUDING, BUT NOT LIMITED TO, CLAIMS FOR LOSS OF PROFITS, BUSINESS INTERRUPTION, OR DAMAGES TO BUSINESS REPUTATION. THIS LIMITATION OF LIABILITY SHALL APPLY TO ALL CLAIMS WHETHER THOSE CLAIMS ARE BASED IN CONTRACT, NEGLIGENCE, TORT, OR ANY OTHER LEGAL CAUSE OF ACTION.
